

Dinesh Kumar DEVARAJ

Currently Secretary General of Indian Association of Dermatologists, Leprologists & Venereologists.

Has served as the Secretary of International Society of Teledermatology, Secretary General of the Association of Cutaneous Surgeons (India) and the Indian Society of Teledermatology.

The first Indian Recipient of the ILDS Young Dermatologist Achievement Award (2023). He was also awarded the Young Cutaneous Surgeon Award by the Association of Cutaneous Surgeons (India).

Recognized for coordinating the IADVL flagship National level awareness programme known as 'Skin Safar Rath' which created awareness amongst Indians including the rural population about skin diseases, their treatment, accessibility to treatment centres, dispelling associated myths and doubts.

This awareness programme covered a journey of more than 12,000 kms across India, covering 55 cities, towns & villages with nearly 200 stopovers over a period of 60 days.
