

## **Patrick Po-Han HUANG**

Dr. Huang assumed the role of chair at Chang Gung Memorial Hospital's Dermatology Department.

He founded the Taiwan Society for Dermatologic and Aesthetic Surgery. Renowned for advancing the resident curriculum in skin surgery, he was also invited to work for the American Society for Dermatologic Surgery's international traveling mentorship program.

Amidst the pandemic, he launched the Cyber Conference for Aesthetic Dermatology and Skin Surgery.

His accolades include winning Taiwan's National Healthcare Quality Award and serving as an ambassador for Korea Derma and WCD. Dr. Huang's diverse roles extend to international education, notably as the Kaohsiung American School's board president.
