

Aimilios LALLAS

Prof Aimilios Lallas is an Associate Professor of Dermatology at the First Department of Dermatology of Aristotle University in Thessaloniki, Greece.

He is specialized in skin cancer diagnosis with non-invasive techniques, as well as in the management of skin cancer patients.

His main field of research interest is dermoscopy of skin tumors, the application of the method in general dermatology and the improvement of the management of oncologic patients. He is an author of 422 scientific papers published on Pubmed Central, most of them on dermoscopy and skin cancer. He is an Editor of 10 books published by International publishers and several book chapters on dermoscopy. The total number of citations of his papers exceeds 14.000 and his h-index is 57. He is a co-investigator in several Phase III Clinical trials on skin cancer treatment. He has been awarded several scholarships and scientific awards.

Over the last years, Dr Lallas has established scientific collaboration with numerous colleagues from several countries and supervised several fellows on skin cancer diagnosis and management. He is invited speaker in several domestic and international congresses and meetings, mainly on dermoscopy and on skin cancer diagnosis and management. He is particularly involved in teaching activities on dermoscopy, having organized and participated in numerous domestic and international courses.

Dr Lallas is currently the President of the International Dermoscopy Society.
