

Michelle RODRIGUES

Dr. Michelle Rodrigues MBBS (HONS) FACD has globally renowned expertise in pigmentary disorders, skin of colour dermatology, laser surgery and cultural humility in healthcare.

She is the director of Chroma Dermatology, Australia's first dedicated dermatology centre for pigmentary disorders and skin of colour.

She is honorary senior lecturer at The University of Melbourne and holds academic positions at The Royal Children's Hospital and the Skin Health Institute.

Dr. Rodrigues holds many leadership positions including Secretary General for the Asian Society for Pigment Cell Research and is on the Global Medical Advisory Board for the Global Vitiligo Foundation.

Her numerous peer-reviewed publications, textbook chapters, and invited lectures are testimony to her passion for research and education.

In 2019 she was awarded the International League of Dermatologic Society's Young Dermatologist Achievement Award and she recently served as one of the global ambassadors for the 25th World Congress of Dermatology in Singapore.
