

## **Daniel SIEGEL**

Daniel M. Siegel, MD Clinical Professor of Dermatology at SUNY Downstate Health Sciences University is a former American Academy of Dermatology (AAD) President and 2023 AAD Gold Medal honoree.

He serves or has served on boards of the American College of Mohs Surgery (ACMS), the American Dermatological Association, the Women's Dermatologic Society, the Noah Worcester Dermatological society, the International League of Dermatological Societies, the International Society of Dermatology, IDEOM and the New York Dermatological Society among others.

Dr. Siegel has published over 200 articles and book chapters in major medical journals and textbooks. He is a reviewer, editor, or advisor for many dermatology journals. His expertise extends outside of "routine" dermatology including IT, botany and US payment policy.
