

## **Pierre WOLKENSTEIN**

I am Prof Pierre Wolkenstein, MD, PhD, head of the Department of Dermatology at Henri-Mondor Hospital, Paris East University, Créteil, France. Since 1990s I am coordinating the management and clinical research of neurofibromatoses in France.

I conducted many clinical studies leading to high standard publications (more than 450 papers, H index: 61). My department is also well known for its involvement in adverse drug reactions and inflammatory diseases.

I was elected at the position of Dean of the Faculty of Medicine and Health of University Paris East Créteil in December 2018 and reelected for a second term in 2023.
